

How to get to Imperial College

- **Directions to South Kensington Campus**

From Heathrow Airport

Take the Heathrow Express Service to Paddington Station (journey time 15 minutes) and then travel by Underground train to South Kensington Station (Circle or District Line). Alternatively take the Underground train from Heathrow (Piccadilly Line) to South Kensington Station.

At South Kensington Station, go through the gates and turn right into the subway signposted for the museums, and continue for about 8 minutes until you reach the very end of the subway. At the exit, turn left up Exhibition Road and the campus is on your left. You will now be at the main entrance to the South Kensington campus where there are campus maps available on signage boards to guide you to the appropriate building.

If the subway is closed, please take the right hand exit from the station, and follow the road round to the right, past a number of bus-stops. The road will lead round to the left past a chinese resturant and a creperie. Follow this up to the college (it is the road above the subway).

From Gatwick Airport

Take the Gatwick Express train to Victoria Station (journey time 30 minutes) and then travel by Underground train (Circle or District Line; westbound) to South Kensington Station.

From Waterloo Eurostar

Take an Underground train via the Northern Line, northwards to Embankment. At Embankment take either the Circle or District Line, west bound to South Kensington Station.
